PROCESS TO DOWNLOAD & LOGIN – OUTPASSIFY

➔ **For Android Users**

STEP 1: Your details are already registered in app if you are a hosteller.

STEP 2 : After downloading the app, **Click Forgot Password?**

STEP 3 : To get login credentials, **Enter Gmail** which is given to your hostel management and **Click Verify**.

Can get Reset password mail only,

- o If Gmail is matched with the Gmail submitted to your hostel management.
- o If Gmail is not matched, Please Contact your hostel management for getting Gmail or for updating Gmail.

STEP 4 : If success, check your mail inbox and also spam for mail. Now Click on **Click me to reset password** , and create your new password.

STEP 5 : Close your mail and **Login your app with your Gmail and Password**.
